

## CHILLED OR HOT CHOCOLATE DRINK MIX

INGREDIENTS	%
Daritek™, whey protein concentrate	37.62
Sucrose	37.62
Cocoa	6.24
Dry Coffee Whitener	10.99
Corn Syrup Solids, 38 D.E.	3.17
Chocolate Fudge Flavor, dry	1.25
Salt	1.25
Carboxymethylcellulose	0.54
Xanthan Gum	0.32
Tricalcium Phosphate, anti-caking agent	1.00

### PROCEDURE

1. Dry blend above ingredients.
2. Add 42.8 grams of mix to 225 ml cold or hot water.
3. Stir well or shake in a covered container to obtain a foamy drink.
4. Chill 1 hour for optimum flavor in the cold beverage.

### BENEFITS

**Daritek** enhances the chocolate flavor because of its salts and lactose content while giving the drink the desirable milk character. It also provides opacity and mouthfeel.
