

Foremost Farms Receives Second Red Cross Award

The American Red Cross-Badger Hawkeye Region presented Foremost Farms President Dave Fuhrmann Wednesday with a “2009 Top Performing Sauk County Business Sponsor” award.

Red Cross Blood Services Representative Laura Moon said this is the second time Foremost Farms has received the award – the first time was in 2006.

“Foremost Farms used to hold four blood drives each year, but upped the ante to five when we had a need,” said Moon. “Foremost also opened up its offices to neighboring businesses like Accelerated Genetics and Equity Cooperative Livestock Sales Association.”
