

## Discover our Clayton location

100 N. Main Street  
Clayton, WI 54004  
(715) 948-2166

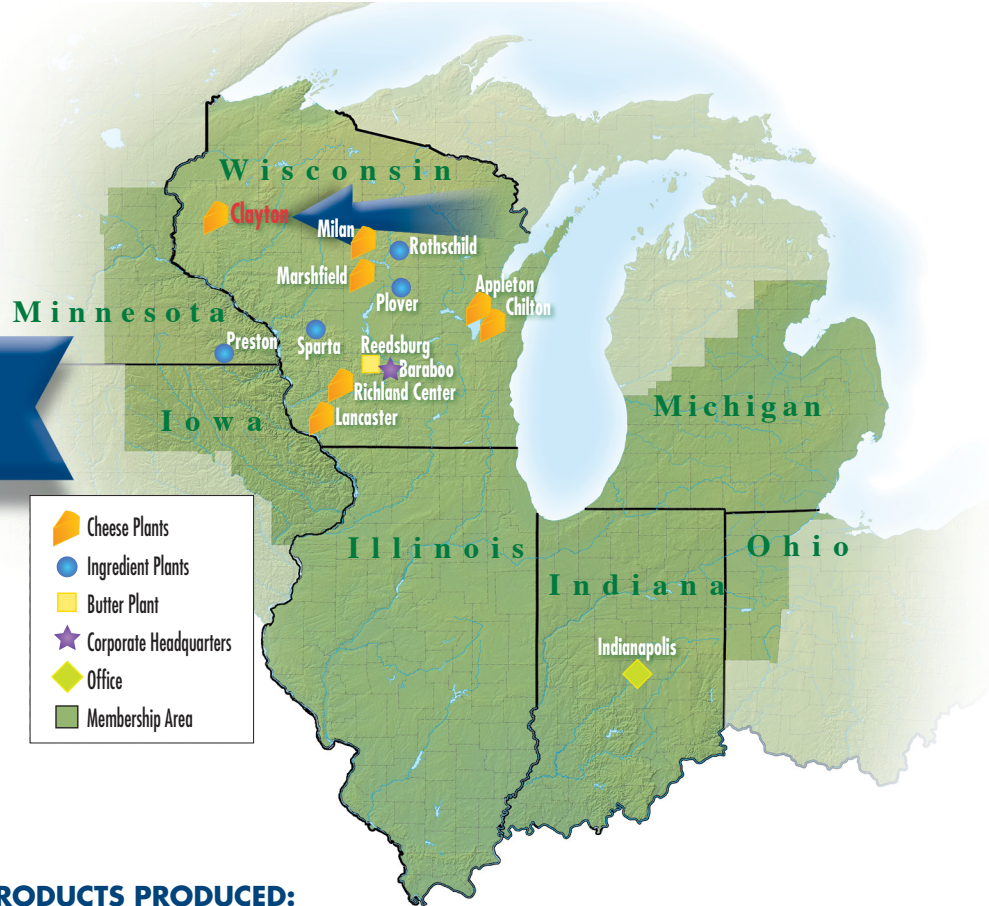

Our northern-most location, the Clayton plant has been in existence since the 1930s and over the years has received many awards for different styles of cheese. Today, the Clayton staff focuses on producing high-quality Provolone and whey products.

Consistency is our main ingredient.
