2294 Randall Road
Athens, WI 54411
(715) 257-7015

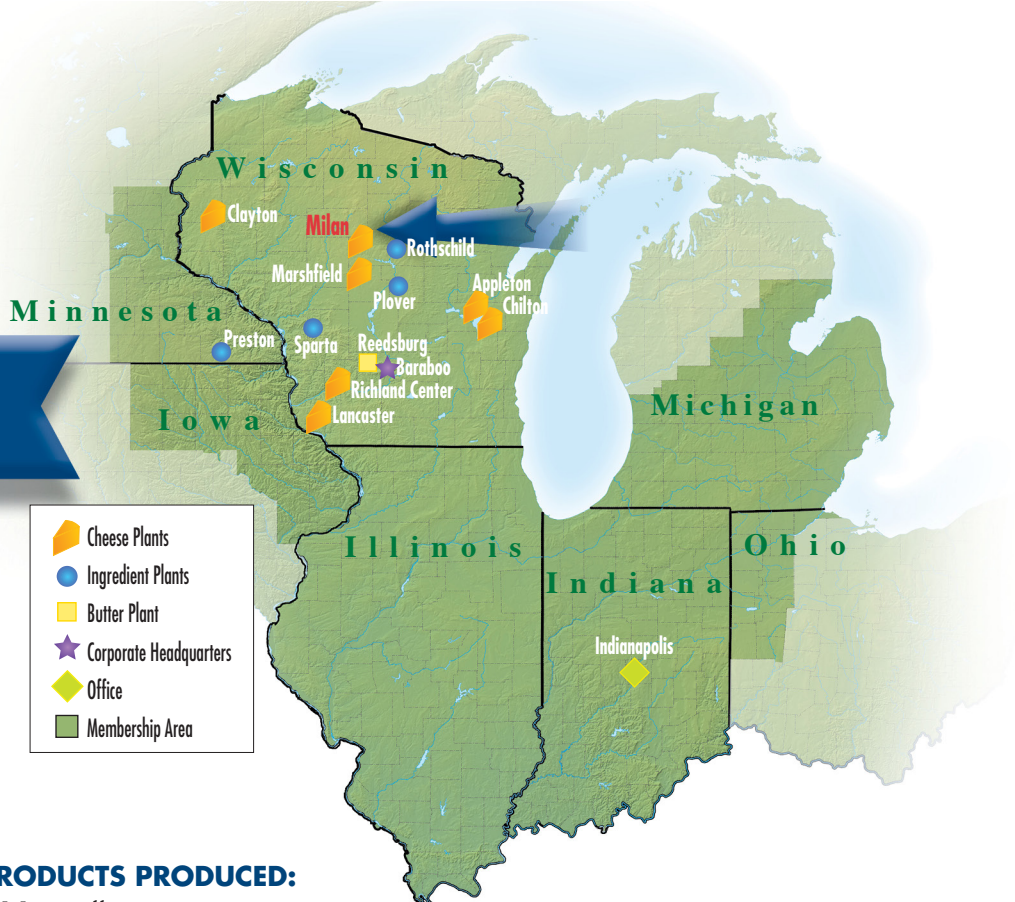

The Milan plant supplies cheese to the country's top foodservice and cut-and-wrap companies, where it is chunked, sliced or shredded, then packaged under many popular labels. These products can be found in delis, grocery stores and pizzerias, as well as in retail items like snack foods and frozen pizzas.

Consistency is our main ingredient.
