

Discover our Plover location

2541 Foremost Road
Plover, WI 54467
(715) 341-0101

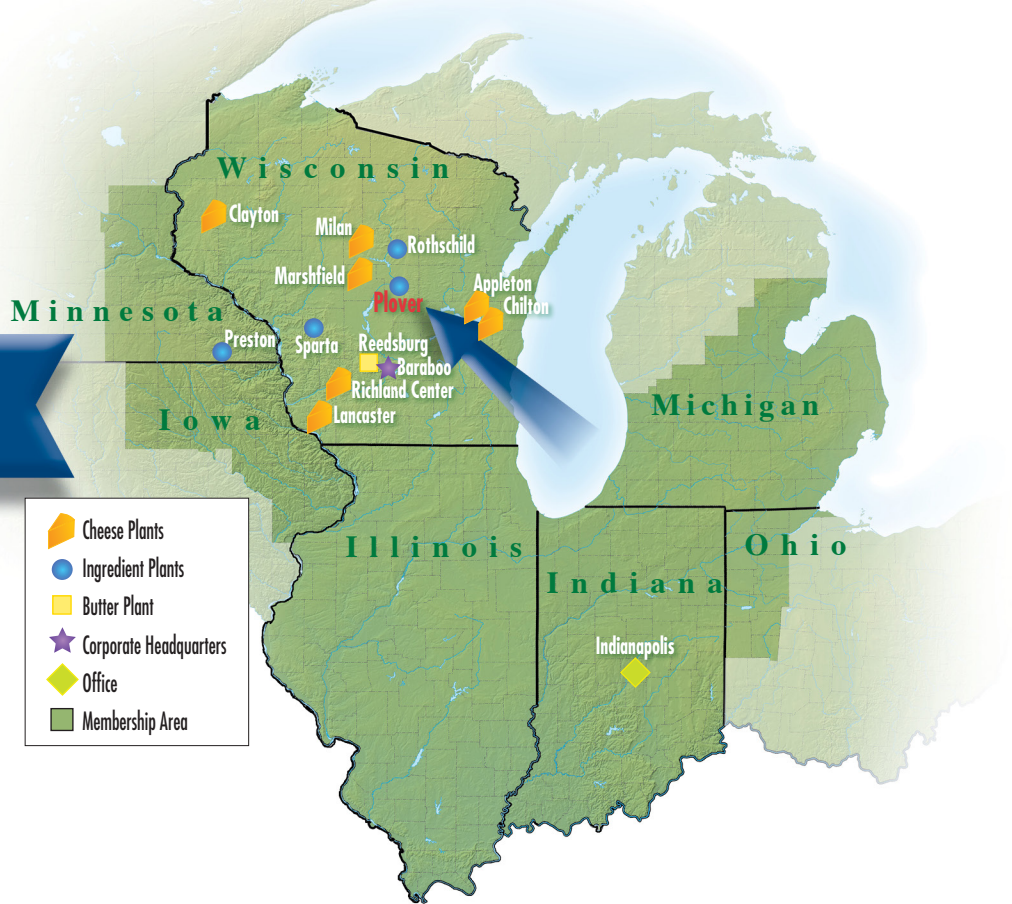

Foremost Farms USA recognized the value of whey earlier than most in the dairy industry, and today our Plover facility produces a broad portfolio of ingredients from whey. Plover employees serve a multinational customer base of infant formula manufacturers, confectionary and bakery customers.

Consistency is our main ingredient.
